Facilities and Maintenance Professionals Descended on the 2017 AFE/IMI

VENDOR'S NIGHT TRADE SHOW!

The November 17, 2018, Vendor's Night, in its twelfth year at the Castle of Knights Meeting & Banquet House in Chicopee, Massachusetts, lived up to the published benefits... The show featured 40 vendors offering displays, demonstrations, and information on their newest and/or most popular products and services. Attendees, maintenance and facilities professionals, found many things of interest at the event. Everyone had a great time, and enjoyed the usual wonderful food, good company, had fun, and walked away with new ideas and solutions to take back to their workplaces.

The attendee turnout was a testimonial to the value they place on the Show. It certainly was a profitable way to spend a Friday evening.

The Vendor's Night was Co-Sponsored by the Chapter 85 of the Association for Facilities Engineering (AFE) and Connecticut Chapters of the International Maintenance Institute (IMI).

Funds raised at the AFE Table Top Raffle directly benefit the AFE Chapter 85 Scholarship Fund. This year's Scholarship was awarded to Mr. Christopher (CJ) Gloster. Pictured here is CJ, holding his $1,000 check, along with AFE's Chapter 85 acting President, John Muglia (left), and his proud parents, Joanne and Chris Gloster. We congratulate CJ on this fine achievement, and wish him well on his journey through life.

The 2018 Vendor's Night Show is scheduled for November 16, 2018. Exhibitor reservations will be accepted after September 1st. For details, contact any of the Table Top Committee members listed at the end of this publication.
