If you could only do one show this year, then this is **the** event for you:

THE 25th PATRICK J. FORTIER,

IMI MAINTENANCE EXPO AND OUTING.

THE BIGGEST LITTLE SHOW IN THE EAST

The two sponsoring Chapters of the International Maintenance Institute (IMI) are proud that their

exhibitors continue to rate the Expo as the best facilities related trade show that they do; the Expo and Outing committee reported, “Our excellent exhibitor renewal rate has held up well t hrough the recent economic climate; and, we are attracting new suppliers with new products and services to fill the floor. The success of the Expo is based on its great value. We get more attendees per hour, or per dollar invested by our exhibitors.

“The Outing is a great value, as well,” the Committee

continued. “It gives the Expo a festive atmosphere. Attendees and vendors can enjoy the beautiful grounds, participate in the many indoor and outdoor activities, take a lunch break, grab a snack, have a wonderful dinner, and visit the open bar. “The Outing has been growing for almost 50 years. And now, combined with the Expo, the event has been drawing up to 700 attendees; increasing the networking opportunities!”

There is a **charge** for **outing tickets**, which can be purchased in advance, or at the door.
